

Dry Creek Elementary Panther Express

This Week @ DC - Dec. 11 - Dec. 15, 2017

COOK'S CORNER

Four times a school year, Mrs. Henderson and I meet with upper grade students that form what we call the Principal's Advisory Council (PAC). The PAC is comprised of students from multicultural backgrounds and each upper grade classroom. We often talk about a variety of school related issues in which I seek input on school culture, overall climate, student/student relations, student/teacher relations, and other important ongoing issues that students wish to bring to my attention. I ultimately see this group as a body of students to provide feedback in ensuring all students are welcome and cared for. So far, the results from the group have been extremely positive, but we know there is always room for improvement. I will often bring the results or make comment to our staff about what our students are saying or feeling on the campus.

In early 2018, I'd like to invite you to consider joining the newly developed Parent PAC. We will discuss many of the same topics our students engage in during student PAC, but we also will discuss additional topics that will support Dry Creek in continuing to be a special place for ALL students. I hope you consider participating in the new group and look out for an invitation in an upcoming Panther Express!

PLEASE HELP KEEP OUR CAMPUS SAFE

The Parent Pickup Area is located in the parking lot on Nees Avenue.

All students in Grades 1-6 should be dropped off/picked up in that area before/after school. Supervision is provided before and after school.

-ONLY Kindergarten students can be picked up in front of the school or from the north parking lot. Please do not use this area unless you are picking up a K student.

-Honor the posted signs.

-If you park across the street from school, please do not ask your child to cross the street at mid-block to meet you. Cross at designated crosswalk only.

ATTENDANCE INFORMATION

Many assume that schools receive State funding for "sick" days rather than "vacation" days. In reality our school receives state funding ONLY when students are in their seats during a school day or an Independent Study Contract is completed and turned in. Student(s) must miss at least five, not more than 10 days of school before an Independent Study Contract can be completed. If you must take your student(s) out of school for vacation, at least one week prior to leaving, you can request an Independent Study contract. The completed packet must be turned in the day your child returns to school to receive full credit. For optimal learning please plan vacations during regular school vacation time.
